<td>Opening and welcome</td>
<td>Puleng Tsie opened the AGM by thanking attendees for their contribution to the conference. These conferences offer knowledge, support, collaboration on how science centres can learn from best practise. Appreciation for organising the conference was extended to ArcelorMittal SA, Prudence Masike, Thami Mphokela and team for all the efforts made to make the conference a success. Ginny Stone was also thanked for her work and logistics for the conference.</td>
<td>A moment of silence was observed for the passing of Alfred Tsipa of Unizulu Science Centre.</td>

3. Matters Arising

There were no additional matters arising from the minutes.

4. Chairpersons Report

- Mondli Mnguni presented this report. He discussed that SAASTEC had meetings with SAASTA to discuss the selection criteria to attend the science centre world summit in Japan and the types of workshops to be held.

- The term of office for board members is currently 2 years. In 2020 the elective conference will serve for 3 years. The reason behind this decision is that world summits take place in 3-year intervals.

- The next world summit will take place in Mexico 2020.

- Currently SAASTEC members are not paying their dues on time. Furthermore, SAASTEC members applying for funding to the DST, need the mandate from SAASTA to do so.

- As of 2018, the host of the next 2-year conferences need to be announced in advance.

The Tokyo protocol will be emailed to all members.

5. Financial Report and Annual Financial Statements

Tebogo Gule presented the F17 financials.

(Financial Report attached herewith)

The total income generated from subscriptions in this period is R42,325

Balance brought forward from 31 March 2017 R223,056

Total receipts from 1 April -31 October 2017 R 234,175

Total payments from 1 April- 31 October 2017 R297,613

Derek Fish highlighted that the figures from 2016-2017 does not add up. Tebogo agreed that a typo was made

The audited financials were signed off by Tebogo Gule and Mondli Mnuguni.
A Current bank balance as at 31/10/2017 was R297,613.

6. Adoption of proposed resolution

-Mondli Mnguni discussed that the members did not give the chairperson the mandate to proceed with the funding proposal. He suggested that the next AGM be longer to deliberate on pertinent issues so that the board can give a clear mandate to the next board and be held accountable. He further asked to be emailed on suggestions or questions so that it can be discussed during meetings.

-Phumeso Kwinara gave a brief breakdown on the Funding Model. A fund-raising strategy was presented to sell a product or ideas that can be purchased.

-Puleng Tsie discussed the proposed resolution for all science centres in the SAASTEC network to commit to hosting two public/community sessions per year at the expense of respective science centres.

SAASTEC will collate a database with specialists who can be part of discussions.

-Phumeso Kwinara said that Ginny Stone will circulate the funding model to all members.

-Motion of adoption accepted.
7. Closing
